

Connecting Michigan Communities Grant Recommendations

The Broadband Task Force is pleased that grant funding for high speed internet is making its way to Washtenaw County!

The [Connecting Michigan Communities Grant](#) has made award recommendations for Comcast and Mercury Wireless to connect portions of both Dexter and Manchester Townships respectively. To see if your location is in the proposed coverage area, please refer to this [map](#).

If you have questions or would like additional information, please contact the carriers via the information below:

Dexter Township - Comcast
