specified portion of the period of suspension to drive only to and from the person's residence and place of employment; in the course of employment; to and from an alcohol training program as ordered by the court; or pursuant to a combination of those restrictions. The court shall not order the secretary of state to issue a restricted chauffeur's license which would permit a person to operate a truck or truck tractor, including trailers, which hauls a hazardous material.

(6) The court, before accepting a plea of guilty under this section, shall advise the accused of the statutory consequences possible as the result of a plea of guilty in respect to suspension of an operator's or chauffeur's license, the penalty imposed for violation of this section, and the limitation on the right to appeal.

(7) The operator's or chauffeur's license of a person found guilty of violating this section, shall be surrendered to the court in which the person was convicted and the court shall immediately forward the surrendered license and an abstract of conviction to the secretary of state. The abstract of conviction shall indicate the sentence imposed pursuant to subsection (3) or (4) or subsection (5). Upon receipt of, and pursuant to the abstract of conviction, the secretary of state shall suspend the person's license and, if ordered by the court and the person is otherwise eligible for a license, issue to the person a restricted license stating the limited driving privileges indicated on the abstract. If the license is not forwarded to the secretary of state, an explanation of the reason why the license is absent shall be attached. If the conviction is appealed to circuit court, the court may, ex-parte, order the secretary of state to rescind the suspension or restricted license issued pursuant to this section.

Sec. 5.15a. CRIMINAL PROSECUTIONS FOR OPERATING UNDER THE INFLUENCE OF INTOXICATING LIQUOR; TESTS; ADMISSABILITY; PRESUMPTION; LIABILITY FOR WITHDRAWING BLOOD; REFUSAL TO TAKE TEST; OTHER EVIDENCE; OPTION TO DEMAND BREATH TEST ONLY.

(1) In a criminal prosecution for operating a vehicle while under the influence of intoxicating liquor, for operating a vehicle while visibly impaired, or in a criminal prosecution pertaining to manslaughter or negligent homicide resulting from the operation of a motor vehicle, while the driver is alleged to have been under the influence of intoxicating liquor, the amount of alcohol in the driver's blood at the time alleged as shown by chemical analysis of the person's blood, urine, or breath shall be admissible into evidence. If a test is given, the results of the test shall be made available to the person charged or the person's attorney upon written request to the prosecution, with a copy of the request filed with the court. The prosecution shall furnish the report at least 2 days before the day of the trial and the results shall be offered as evidence by the prosecution in a criminal proceeding. Failure to fully comply with the request shall bar the admission of the results into evidence by the prosecution. The amount of alcohol in the driver's blood at the time alleged as shown by chemical analysis of the person's blood, urine, or breath shall give rise to the following presumptions:

Ordinance NO. 24 (Continued)

(a) If there was at the time 0.07% or less by weight of alcohol in the defendant's blood, it shall be presumed that the defendant was not under the influence of intoxicating liquor.

(b) If there was at the time in excess of 0.07% but less than 0.10% by weight of alcohol in the defendant's blood, it shall be presumed that the defendant's ability to operate a vehicle was impaired within the provisions of section 5.15b due to the consumption of intoxicating liquor.

(c) If there was at the time 0.10% or more by weight of alcohol in the defendant's blood, it shall be presumed that the defendant was under the influence of intoxicating liquor.

(2) A sample or specimen of urine or breath shall be taken and collected in a reasonable manner. Only a license physician, or a licensed nurse or medical technician under the direction of a licensed physician and qualified to withdraw blood acting in a medical environment, at the request of a peace officer, may withdraw blood for the purpose of determining the alcoholic content of the blood under this act. Liability for a crime or civil damages predicated on the act of withdrawing blood and related procedures shall not attach to a qualified person who withdraws blood or assists in the withdrawal in accordance with this act unless the withdrawal is performed in a negligent manner.

(3) A person charged with a crime enumerated in subsection (1) who takes a chemical test administered at the request of a peace officer, as provided in subsections (1) and (2), shall be informed that the person will be given a reasonable opportunity to have a person of his or her own choosing administer 1 of the chemical tests, as provided in this section, within a reasonable time after his or her detention, and the results of the test shall be admissible and shall be considered with other competent evidence in determining the innocence or guilt of the defendant. A person charged with a crime enumerated in subsection (1) who is requested by the peace officer to take a chemical test as provided in subsections (1) and (2) shall be informed that he or she has the right to demand that 1 of the tests provided for in subsection (1) shall be given him or her, and the results of the test shall be admissible and shall be considered with other competent evidence in determining the innocence or guilt of the defendant.

(4) The person charged shall be advised that the person's refusal to take a test as provided in this section shall result in the suspension or revocation of his or her operator's or chauffeur's license or his or her operating privilege.

(5) This section shall not be construed as limiting the introduction of any other competent evidence bearing upon the question of whether or not the defendant was under the influence of intoxicating liquor.

(6) Notwithstanding any other provision of this act, a person requested to take this test shall be advised that he or she has the option to demand that only a breath test shall be given, in which

Ordinance No. 24 (Continued)

case his or her refusal to submit to another test shall not constitute a refusal for the purposes of sections 5.15d and 5.15f.

(7) If a jury instruction regarding a defendant's refusal to submit to a chemical test under this section is requested by the prosecution or the defendant, the jury instruction shall be given as follows:

"Evidence was admitted in this case which, if believed by the jury, could prove that the defendant had exercised his or her right to refuse a chemical test. You are instructed that such a refusal is within the statutory rights of the defendant and is not evidence of his guilt. You are not to consider such a refusal in determining the guilt or innocence of the defendant."

Sec. 5.15b. IMPAIRED OPERATION; VIOLATION AS A MISDEMEANOR.

(1) A person shall not operate a vehicle upon a highway or other place open to the general public, including an area designated for the parking of vehicles, within the Township when, due to the consumption of an intoxicating liquor, a controlled substance, or a combination of an intoxicating liquor and a controlled substance, the person has visibly impaired his or her ability to operate the vehicle. If a person is charged with violating section 5.15 a finding of a guilty is permissible under this section.

(2) A person convicted of a violation of this section is guilty of a misdemeanor, punishable by imprisonment for not more than 90 days, or a fine of not more than \$300.00, or both, together with costs of the prosecution.

(3) A person who has been previously convicted of a violation of this section or of a violation of a Michigan statute or a Michigan local ordinance substantially corresponding to this section and who is thereafter convicted of a violation of this section is guilty of a misdemeanor, punishable by imprisonment for not more than 1 year, or a fine of not more than \$1,000.00, or both.

Sec. 5.15c. IMPLIED CONSENT

(1) A person who operates a vehicle upon a public highway or other place open to the general public, including an area designated for the parking of vehicles, in the Township is considered to have given consent to chemical tests of his or her blood, breath, or urine for the purpose of determining the alcoholic content of his or her blood if:

(a) The person is arrested for a violation of section 5.15 or 5.15b.

(4) If after a highway accident the driver of a vehicle involved in the accident is deceased, a sample of the decedent's blood shall be withdrawn in a manner directed by the medical examiner for the purpose of determining blood alcohol content. The results of an examination of the blood of a deceased driver shall be used for statistical purposes only.

Sec. 5.15d. RIGHT TO REFUSE CHEMICAL TEST

A person who is requested pursuant to section 5.15c(3) to take a chemical test shall be advised of the right to refuse to submit to chemical tests; and if the person refuses the request of a peace officer to submit to chemical tests, a test shall not be given without a court order. A sworn report shall be forwarded to the department by the peace officer. The report shall state that the officer had reasonable grounds to believe that the person had been operating a vehicle on a public highway or other place open to the general public, including an area designated for the parking of vehicles, in the Township while under the influence of intoxicating liquor or that the person had been operating a vehicle while his or her ability to operate a vehicle had been impaired due to the consumption of intoxicating liquor and that the person had refused to submit to the test upon the request of the peace officer and had been advised of the consequences of the refusal. The form of the report shall be prescribed and furnished by the secretary of state.

Sec. 5.15e. NOTICE OF RECEIPT OF SWORN STATEMENT

(1) Upon receipt of the sworn statement, the department shall immediately send a written notice to the person, mailed to his or her last known address, that the sworn statement has been received and that within 14 days of the date of the notice he or she may request a hearing as provided in section 322 of the Michigan Vehicle Code (MCL 257.322).

If the person is a resident without a license or permit to operate a vehicle in the state, the secretary shall deny to the person the issuance of a license or permit for a period of not less than 90 days nor more than 2 years.

(2) If a hearing is requested, the secretary of state shall hold the hearing in the same manner and under the same conditions as provided in section 322 of the Michigan Vehicle Code (MCL 257.322). At least 10 days notice of the hearing shall be mailed to the person requesting the hearing, to the peace officer who filed the sworn report, and if the prosecuting attorney requests receipt of the notice, to the prosecuting attorney of the city where the arrest was made. The hearing shall cover only the following issues:

If the person involved is a resident without a license or permit to operate a vehicle in the state, the secretary may deny to the person the issuance of a license or permit for a period of not less than 90 days nor more than 2 years. The person involved may file a petition in the circuit court of the county in which the arrest was made to review the suspension or denial in the same manner and under the same conditions as provided in section 323 of the Michigan Vehicle Code (MCL 257.323). All hearings in circuit court shall be de novo and shall be limited to the issues enumerated in subsection (2).
